

Fortaleza Materiales complies with the CNBV's request regarding 3Q21 financial statements

Mexico City, February 17, 2022.- Fortaleza Materiales, S.A.B. de C.V. (formerly Elementia, S.A.B. de C.V.) (BMV: FORTALE*) (the "Company", the "Issuer" or "Fortaleza Materiales"), informs the investing public that, as requested by the National Banking and Securities Commission ("CNBV"), it will resubmit its 3Q21 earnings release.

In accordance with the request, the information has been restated separately from the pro forma adjustments in the balance sheets and income statements and, as a result of this, the final pro forma figures remained unchanged when compared to the financial information for the third quarter.

About Fortaleza Materiales

Fortaleza Materiales is a cement company with a strong organic growth and, through Cementos Fortaleza® and the strategic acquisitions of Giant®, Keystone® and Dragon®, it provides structural solutions for the foundations, columns, floors and ceilings of houses, shopping malls, offices, hospitals, among other facilities, in Mexico, the United States and Latin America. Fortaleza Materiales has more than 1,300 employees.
